

Scientiam Fee Summary

For Investment and Superannuation Accounts

This document explains what Scientiam charges for administration and what the other providers charge investment and superannuation accounts.

Scientiam Administration Management Fee

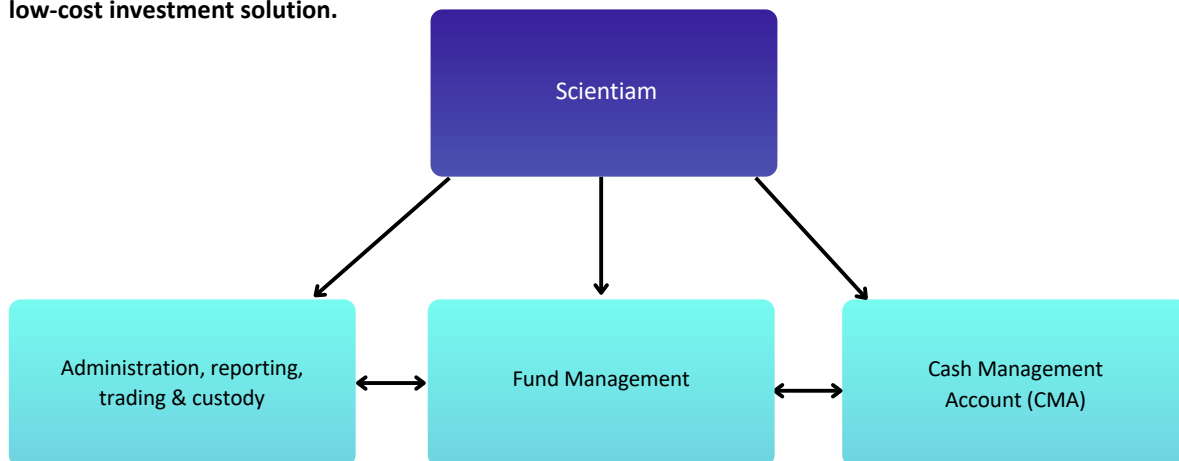

When you open an account and invest funds, your portfolio will be charged 0.275% (inc GST) of funds under management by Scientiam.

This fee is applicable to each account and debited directly via the linked Cash Management Account.

For example:

If you invest \$100,000 into any Scientiam portfolio, the Scientiam administration fee charged would = \$22.92 per month or \$275.00 per annum including GST or as a percentage 0.275%.

Scientiam is not a product provider and simply delivers coordination of third-party product providers to offer a low-cost investment solution.

Other Fees Charged by Third Party's

In addition to the Scientiam administration fee, you will also be charged a reporting system, transaction, and fund management fees by the relevant providers.

These fees vary depending on the type of account and model portfolio selection. Scientiam does not receive any reporting system, transaction, or fund management fees. For a full schedule of other fees refer to page 2.
